PRD MEMORANDUM

SUBJECT: PRD Post-Mortem Phase II, Work Program

25X1 I have had [redacted] draw up this Catalogue and Schedule for the benefit of those who are assigned specific tasks and for those outside the immediate office who must be kept informed of the status of our Phase II effort. Please note that some of the projects have not previously been listed and that some of the action officers have not previously been assigned. And please pay particular attention to the deadlines. I wish brief (one or two paragraph) written progress reports from all principal PRD action officers to be submitted to me and to [redacted] every other Friday morning, beginning 10 May.
